Student Visa Application Instructions

To begin the process of obtaining a Student Visa for Flight Training with **Kingsky Flight Academy** you are required to fill this form in its entirety for our Designated School Officials to consider issuance of the I-20.

The following items are needed to complete the application:

1. **Complete the application form:** Simply fill in all fields of the application on the reverse side/page 2 and save the file to send along with required documentation.

2. **Make a digital copy of your Passport:** Scan your passport so that the page containing your photograph and the passport expiration date are clearly visible.

3. **Make a digital copy of your Bank Statement:** You must provide proof of your ability to pay for all course(s) and living expenses, transportation, etc. for the duration of your training period while in the United States. A letter from your financial institution, your employer or Government entity may also be considered.

4. Attach Application, Copy of Passport and Financial Responsibility Statement: Attach documentation and send via email to: admissions@kingskyfa.com

5. **Pay Processing Fee:** You will be contacted by our Designated School Official to verify your information, collect International fee and begin the TSA vetting process (if needed) as well as fingerprinting requirements.

6. Below is information to begin the TSA Clearance Process once you become enrolled:

Complete an online application for TSA clearance to train in the United States. The TSA's application can be found at https://fts.tsa.dhs.gov.

Complete your I-901C payment online and retain your receipt.

Make an appointment with your US Embassy or Consulate to obtain your M-1 Visa. You *must* bring your *original* I-20 Application, signed in ink, and your I-901C receipt with you to your appointment with the US Embassy or Consulate.

Schedule an appointment for fingerprinting, in your country of origin if possible. If you wait until you arrive in the United States, it will add up to an additional two (2) weeks before you will be able to begin training. Fingerprint processing speed depends entirely upon the TSA. **Kingsky Flight Academy** does not have control over fingerprint processing or TSA processing requests.

7. **See Page Two for Student Application Questions:** All fields must be filled in order to be considered for enrollment and/or required I-20 for International Students.

International Student I-20 Application
